Re: Soccer League Training Camp

Dear Mr. Potter,

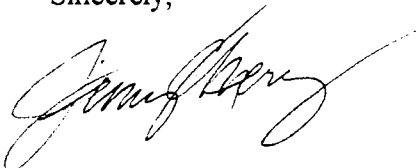

I would like to thank you for hosting the AYSO Lightning Bolts U10 boys team to the Soccer League Training Camp. All the boys on the team, except one, were able to attend. Therefore, this no cost day of hands-on learning was very beneficial to the team. They all had a great time.

The boys learned the rules and object of the game very quickly. One of the boys on our team made it to the final round of the tournament. Each one of the them seemed to gain a better working knowledge of the game.

I have been trying to stress this season that passing is the key to the game and that soccer is mental as well as physical. These principal's were easily illustrated at the camp. Thus, reinforcing what we had been working on in practice. Also, my wife finally learned what off-sides means.

The camp taught the team some concepts as well as reinforced others all while they were having fun. I recommend the Soccer League Training Game to players, coaches and teams as a valuable learning and coaching tool.

Sincerely,

Jimmy Cherry
Coach Lightning Bolts
